DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose a decorative lighting apparatus having, inter alia, logic which includes a microprocessor/microcontroller and memory carried in a housing, said memory including programmed data corresponding to a plurality of holiday color schemes including those corresponding to Christmas, Independence Day, and Halloween, said microprocessor/microcontroller being operative, for each user-selectable switch setting of a decorating selector, to identify pre-programmed data corresponding to a holiday color scheme and control the illumination of a decorative light strand having a plurality of lights in accordance with the holiday color scheme (claim 22); a decorating selector which includes a housing and a plurality of user-settable switches carried on the housing, each user-settable switch associated with a corresponding color of a plurality of different colors, said housing being attached to the decorative light strand and a plurality of outputs coupled to the plurality of wires for illuminating the plurality of lights in accordance with the user-settable switches (claim 38); a method of decorating with a decorative light strand having, inter alia, the steps setting for illuminating a Christmas holiday color scheme in the plurality of lights along the decorating light strand during Christmas, setting for illuminating an Independence Day holiday color scheme in the plurality of lights along the decorating light strand during Independence Day, and setting for illuminating a Halloween holiday color scheme in the plurality of lights along the decorating light strand during Halloween (claim 30). The remaining claims 22-29, 31-37,

Art Unit: 2828

39 and 40 are allowed by virtue of their dependencies on the independent claims.

Hence, the examiner has allowed claims 21 through 40.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Rice et al., Pub. No. 2002/0154787, which fails to disclose the decorative lighting apparatus and method thereof as recited.

Correspondence

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Haissa Philogene whose telephone number is (571) 272-1827. The examiner can normally be reached on 6:30 A.M.-6:00 P.M..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, MinSun Harvey can be reached on (571) 272-1835. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
